

Dear Youth, Youth Leaders & Chaperones:

April 10, 2011

We are pleased to announce that we will again for a second year have a youth & young adult event for the Puget Sound Region Churches of Christ & Christian Churches (a replacement activity for SYR - Seattle Youth Rally). We are excited to bring this two day event to your student and young adult ministries. Friday - Saturday, May 20-21, 2011 is the date! We have called our new event PSYCHHE - this stands for: **Puget Sound Youth In Christ Honoring Him Everyday**. Our location for this event will again be held at Glen Acres Church of Christ, just south of Seattle. The theme for this year is: "Crazy Love!"

We hope this event is something you will want to bring your youth and young adults to. Our purpose is to Unite & Encourage the youth of the Puget Sound churches. We want to help students' lead active ministries in their churches. We want to encourage the uniting of fellowship and strengthening of Christ's church here in the Puget Sound region.

We have also invited a few out of town churches from Longview, WA, St. Helen's, Sweet Home & Siletz, OR to come and spend the weekend with us. They were a great joy and inspiration to the SYR in years past and we want to thank and honor them for their past support.

Since this is a local event for the local Puget Sound churches there will not be the need for housing all participants will be staying in their own home, Friday evening, except for those churches mentioned above who have the special invitation to spend the weekend with us. Below is a draft schedule the of two day event.

| | | | |
